Remarks

Strengths of the course:

- [General insights into the publishing game. Great atmosphere. Thoughtful discussions.](#)
- [The format of this course gives me very useful exposure to a wide range of recent/ongoing research related to law and economics and the insights into publication process.](#)

What could be improved in the course?:

- [It might be interesting to discuss the papers of the assignment along the other papers. This would assure that all details are discussed. Furthermore, it would relax the work load a little bit. Questions of the assignment could still be discussed during the presentation.](#)
- [As much as I enjoy the exposure of working papers and our choice to choose the topics we are interested in, I think the course could also benefit from a bit more discussion on the 'classical' law & economics topics \(not necessarily just the 'classical' papers\).](#)
- [I would prefer to have a chance to explore more areas of the subject.](#)
