What went really well about this course?

Scale: Open question | 2 answers by 2 respondents

- 1. The topics were interesting in varied. The course provided a good overview of the subject, the different fields of mixture, and it was a good mix of classic papers and new research
- 2. I really like the paper reading, presentation and review format. Helps us understand and question the methods and data used

What could be improved about this course?

Scale: Open question | 2 answers by 2 respondents

- 1. The course workload was high, but rewarding. I think it gave good direction for the research proposal. There's not a lot of suggestion I can give here
- 2. Course load could be reduced a bit (maybe 2 books and 10 papers). It's more interesting to analyse research papers than books because books also have an anthropologic aspect which differs from economics

The explanations of the lecturer were clear to me.
